BTECH. COMPUTER
SCIENCE (IN VIEW)

FEDERAL UNIVERSITY
OF
TECHNOLOGY, AKURE

(2023 - 2027)

ACADEMIC STANDING:
FIRST CLASS (4.67/5.00)

PROFESSIONAL PROFILE

First-Class Computer Science student (4.67/5.00) with hands-on frontend development experience from a professional internship and 20+ personal projects. Proficient in building responsive, dynamic web applications with React and JavaScript. Seeking a SIWES/IT placement in Lagos to contribute meaningfully to a product team and grow under experienced engineers.

PROFESSIONAL EXPERIENCE

WEB DEVELOPER (FRONTEND INTERN)

TECHCRUSH | INTERN

Dec 2025 - MARCH 2026

- Assisted in building user interface components using React.
- Worked on making pages responsive and improving basic layout designs.
- Connected frontend components to backend APIs to display dynamic data.
- Helped implement simple authentication flows and handled user input forms.
- Fixed minor UI bugs and made small improvements based on feedback.
- Collaborated with team members during stand-ups and feature discussions.
- Gained practical experience in how frontend integrates with backend in real-world applications.

FRONTEND DEVELOPER

Independent | Personal Project

2025 - Present

- Gained hands-on experience building responsive interfaces using HTML, CSS, JavaScript, and React.
- Worked on over 20 personal and learning projects focused on improving UI/UX, and component structure.
- Improved skills in consuming REST APIs, handling asynchronous operations, and organizing frontend logic.
- Focused on writing cleaner, reusable code and developing better problem-solving habits through real practice.
